**"Guardians of your financial services"****VACATION LOANS**

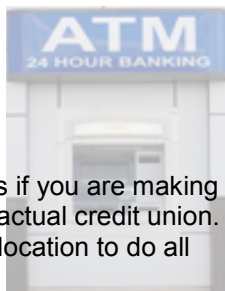

Our annual summer vacation special is back! Time to take your vacation to the next level. With **90 days no payments** and low interest rates, we can help you take that dream vacation you have always wanted!

**NEW ATM ON CAMP RAPID**

We are excited to announce the ATM is operational on Camp Rapid. This isn't your typical ATM. It has several features, which include the following:

- CASH DEPOSITS
- CHECK DEPOSITS
- CASH WITHDRAWALS

With all these new features, it will be as if you are making transactions as simple as being at the actual credit union. No need to wait to visit our East North location to do all your banking needs.

**YOUR NEW DEBIT CARDS WILL NOW INCLUDE A CHIP****THAT MEANS MORE PROTECTION FOR YOU!**

Your new cards include the latest chip technology, which provides an added layer of security and greater protection against fraud for purchases made at the point of sale. Information programmed into the chip is personalized for your account and each transaction is unique, adding a new safeguard against fraud.

**WORLD-WIDE ACCEPTANCE**

Traveling will be easier and more convenient with its worldwide acceptance.

You will continue to have the traditional magnetic strip on the back, allowing you to use it at merchants without chip-enabled terminals.

**REDUCE CREDIT CARD DEBT: PAY Biweekly**

The sooner you make a payment to a credit card company, the less interest you will pay. In addition, you will save more in interest charges by making a payment days or weeks early.

Federal law requires credit card companies to process payments the day they arrive.

**SUMMER IS HERE!**

Now is the time to apply for your recreational vehicles and enjoy the summer months. Whether you are camping, boating, 4 wheeling, motorcycle rides, we have a loan special just for you!

## Time to Prepare ... for Back-to-School

Now is the time to start listing all of the back-to-school supplies and other necessary purchases that have to be made before the school starts in the fall. This includes garments needed to update school wardrobes, coats for the cooler weather, books, tablets and any other items that may be needed.

Kids may not want to think about returning to school yet, but early planning means you may be able to save money. Watch for sales and make sure to carry your back-to-school list when visiting various stores throughout the coming weeks. You never know when you might come across bargains for the items on your back-to-school list!
